

Diaconia: Working for a fairer Europe

#DiaconiaInEurope

13.000.000
children in poverty
in the EU

12.000
services for children and young
people by Diakonie Deutschland

What we're working on:

1 access to labour market and income support for parents

2 access to childcare, education, healthcare, housing and social services for families

3 social inclusion of children in leisure and cultural activities
